

## Chamillionaire "Rap City #1"

Visit "[Rap City #1](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I neva take a high atis  
Debate it  
The kid the greatest  
My album anticipated  
I made it  
Now Niggaz hate it  
Problems I can create it  
My pistol is nickel plated  
All of my friends can get a quick F U cause friendship  
is overrated  
You waited  
You pray to see rival of the mixtape god  
I treat a track like soft crack and make a mixtape hard  
Dj Smallz, the crib got the fish tank walls  
These Niggaz playin' me as a joker better go switch  
they cards  
Cause I'm the hardest  
That's regardless  
Or wether or not I'm sign  
Wether I'm in Atlanta or tippin' down in H-Town  
Niggaz keep talkin dime  
Then I'm just gone loose my mind  
Don't mention me 1 mo time  
Without askin me do I mind  
Paintin not Picasso  
Like the macho  
But that is not so  
You would not know  
That is not so  
What you living alive for  
He showed his plak, he showed his crack, showed his  
car, showed his crib  
I'm Watchin' cribs  
Wondering why my crib is alil bigger then his  
How I live not a G  
The Show is 3  
Man that's nothin to me  
S.M.A.L.L.Z. I lay the hardest verse on a cd  
For free  
And I do it so easily  
Messiah rap thugs

Spit fire to pack clubs  
I'm tired of you actors  
I'm tired of you act thugs  
Denyin' that you got buss  
I make sense cause I make sense even rhymin it  
backwards  
Zep snerr yep yep yep yep what that mean  
That mean my cliq is the team of chamillionaire the  
king of the kings  
And a game  
That I don't bang  
Set trips and you broke down  
Get hurt on your arm  
Turf before you throw up your sign  
Your sigh language need say dollar signs  
My cliq is so kind  
If i add nine  
To your life line  
Then my cliq gonna co-sign  
Just look at the wheather boy  
It's gone rain if you ready boy  
I swear my game will turn a man to a skeleTOR  
My squad joint  
Is the squad about squad joints  
My squad joint is a problem  
My squad joint make your squad run  
Niggaz see me in my car  
Then they ask are you wit Paul  
I'm like Naw  
I'm like dawg  
Cant you see I'm on a call  
Holla at man I'm hollen at that DJ smallz  
Chamillionaire.com playa holla at your boy
