[Chamillionaire]

Look..

My car sittin' as low as the IQ of kids on short yellow
busses

Comin' slow like a cripple handicap kid, on crutches
Got more ice than Miller Light and a 100,000 slushes
Got somethin' in my clutches made for niggaz holdin'
grudges

Poppa lookin' for a bootlegger I can abuse tonight
My princess got cut and I ain't even used a knife
You want me to lose my life, because you know you'll
lose ya wife

When ya see me, you'll try to fight and then you'll be a
loser twice

You as broke as the answering machine that never
wants to answer

All eyes on me like the tat on a top-less tittie dancer
Is Chamillion cheap? Yeah..Enn nigga wrong answer
Screen fall's bout to Reign-Deer like Glitchen and
Prancer

Ya misses wishes to give me kisses and be my Mrs'
Sit on more damn deep-dishes then some friend
up..catfishes

I make myself laugh, twinkies out-crawlin' ya
I'm worth the price of a country so they call me Zamalia
You can call me baller trainer, when I tell ya I'm the
boss

You want a verse and I don't like you, I'ma jack up my
cost

I want a burger and a french fry, do that come with
sauce?

I want a 'lac with a jumble-jack jack do that come with
gloss?

We as throwed as a softball after the pitcher toss it
Paint wet as a leaky faucet, drippin' also when I floss
It's the..Chamillionaire, Hakim, Super Doopa King
Hoes say that I can sing, but I still do know bling

[Chorus - Papa Reu]

We got..hella TV's twinkies too

Call up Ron C when I need to be chopped & screwed

Hoppin' out shinin' in ? to make em' bling
Watch me go bling bling, bling bling, so gleam
So please not ? from the gutta
???

(OG Ron C - Talking)
