I'm a rider, I'm a rider
I'm too tough for y'all, and I will never fall
You can talk that talk, but I'ma walk that walk
And I'm riding, that's fa sho'

I'm a survivor, true survivor
If I walk out that do', and don't come back no mo'
Let the liquor po', and let the people know
I was a rider, that's fa sho'

We them niggaz getting hated by haters
We them niggaz that done made it outrageous
Stack the money in the streets, nothing honey nothing
sweet
I'm sick my chips contagious

Animals none of y'all can't cage us
Got me feeling like the Heat and the Lakers
Had to switch up my team but what do ya mean
We already traded them traitors

Spend a lifetime surrounded by fakers
In the night time you high 'cause it's safer
Spend a lifetime to grind and get paper
While all y'all crying I'm flying to Jamaica

Grinding steadily fine and cheddar
He know how to show ya the nine is deadly
Wanna be a pussy nigga fine then let it be
Anybody crying that's around it's never me

Realer than the rest when it come to plex
Get it off your chest if you so upset
Is that what it gon' be if it comes to yes
Then I guess that day will become a mess

They messed up when they told me the sky's the limit
'Cause I'm married to my money nigga' I'm committed
If it's gold at the end of the rainbow then my gang go
Get up in the vehicles and ride to get it

I'm a nigga that made it up from the bottom

I'm a always get into a lil' drama
Y'all don't know what it means to be a rider
Gotta deal with anybody that got a problem

I'ma put supreme in the Impala
I'ma put some cream up in the bomber
Jack it that's it nigga go get a dollar
Looking for me, I'm busy my nigga holla

I'm a rider, I'm a rider
I'm too tough for y'all and I will never fall
You can talk that talk, but I'ma walk that walk
And I'm riding, that's fa sho'

I'm a survivor, true survivor
If I walk out that do', and don't come back no mo'
Let the liquor po' and let the people know
I was a rider, that's fa sho'

Got the weight on my shoulder like solo flex
Do the drama myself that's solo plex
I don't know what you do fo' yo checks
But my part of the do' way mo' they less

I'm gripping wood I know I'm fresh
'Cause I am that CEO and yes
The mo' I make they more upset
But I'll be damned if a nigga don't show respect

Ask the streets in the South about the kid
And they gon' tell ya I be doing my thang
We could do the beef or we could do the peace
As long as you ain't speaking my name

My partna told me you was jocking homie
And my other boy said the same
The result of that when I approached the cat
I gotta hit him with the pain like bang-bang

Physically and mentally
A rider a nigga that'll tell 'em see
I bomb on your ass it was meant to be
Because I told y'all niggaz not to mess with me

Do you let the beef slide
And let it die down with all your deciding
In the streets they know Chamillionaire be riding
Batman my heat riding like Robin

Tell 'em that I got 'em if he's on my team
'Cause loyalty's something that you're gonna need

Loyalty's something others don't believe
Like a ghost that most suckers ain't known to see

But you know that a rider can notice hating
And use it to fuel all the motivation
Success is something that's fa sho' to make 'em
Back down they don't then I'm gonna break 'em

I'm a rider, I'm a rider
I'm too tough for y'all and I will never fall
You can talk that talk, but I'ma walk that walk
And I'm riding, that's fa sho'

I'm a survivor, true survivor
If I walk out that do', and don't come back no mo'
Let the liquor po', and let the people know
I was a rider, that's fa sho'

If you a rider let me know
If you a rider let me know
If you a rider let me know
Yeah, I'm a rider that's fa sho'
