[Chamillionaire]

Ice bright as a night light or whiter then Madonna's
hand

Man chain changin' colors like a man gettin' a tan
I ain't no stupid..Jim Carrey

Heat..Koopas will carry

Knock ya out til' you fall asleep wit' missin' teeth like a
tooth fairy

very week and too scary to compete wit the red dot
Red-Dot?, what red-dot? the red-dot on ya head, pop

Ya girl on Reg' jock

Top off of Regs' drop

Ladies call me Barney Rubble because I make the Bed
Rock

Before you realize that you was supposed to move over
DJ Bull already changed his name to DJ BullDozer

Chamillion is the tightest but that boy ain't from Zaldas

I'm the cause for hurt jaws like with mouth of gingivitis

These clowns be talkin' down but the reason they
