(Let's Go, H-Town)

*[Sample x2: Pimp C]*

Listen To My Thesis, See Just What I Mean

Nigga I Ride Dirty Everyday But Still I Shine So Clean

*[Talking through hook: Chamillionaire]*

This underground rap royalty right here mayn

It's Koopa

Let's go ahead and talk it down, Ke

Pop the trunk mayne

Know what I'm talkin bout?

*[Verse: Lil Keke]*

Glitter and glean got a hustla feeling guilty

Kush smoked up burner cause a nigga riding filthy

Ball if it kill me, life inside the turning lane

Finished for this coming down holding on this wood grain

Married to this thug thang, I be at it real early

Shining like a spotlight even though I'm riding dirty

Tell it to a G, if you know the playa better wait

Dirty south Houston, Texas niggas do it everyday

Legendary Yung Don steal knocking pimpin fun

Phantom with a lambchop, call them hoes Reverend

Run

Flipping like an acrobat, TV like an apple mat

Fo-fifteens inside the back, ask him is they liking that

This is called a Cadillac keep me saying "Thank ya"

Old school Americans are keepin like my gangsta

Keke rolling hard on to ya slabs got the yard bigger

Coming down clean still swangin on fraud niggas

*[Sample x2: Pimp C]*

*[Verse: Chamillionaire]*

They stand around staring at my whip like it's some  
kind of statue  
But if you touch it you'll get hurt just like you got a  
tattoo  
(Why? Cause I'm a slap you)  
They goin get sick my whip goin make em "Ha-choo!"  
In the yella Vet so wet it'll make you wanna go buy a  
Snapple  
That's pineapple  
I didn't have to even get my bling  
But I'm a rock it like the Dream, but don't call me  
Hakeem  
When I'm cmoing down that candy green look like  
Listerine  
My appraisal took em month because I got a list of  
rings  
Forgive my bling  
Ballin got me feeling like Tila baby  
My fleet is crazy, but the chick that's in my seat is lazy  
She won't get up  
Yup, my Lincoln is my sweet lil lady  
It's like the sun is try'na bake her like Anita baby  
I need a shades power I can park a fleet of cars  
I ain't goin lie ran out of room in my complete garage  
Get a masuage for my fifteens doing a stanky leg  
That stanky bread, dirty money watch me make a left  
And shake a fed like

*[Sample x2: Pimp C]*
