Yeah, a lightnin' bolt strikes in the air, yeah, finally it's here
'Cause y'all are the judge, the day of judgment finally is near
In your eye I see a tear and it's remindin' me of fear
Rap's been dead so long, so stop denyin' what you feel

Dis payback for the fact that y'all ain't tryin' to keep it real
Grim reaper that we call Revenge right beside ya in your ear
He's sayin' your time expired, time is finally due it's clear
Not sober mind is a weak mind and he's buyin' you a beer

Cheers, time for a toast
(Your heart's beatin', your heart's beatin')
To the haters that hate you the most
(Your heart's beatin')

And the friends that pretend to be your folks
(Your heart's beatin')
This is what revenge sounds like
(Your heart's beatin', your heart's beatin')
I hear your heart beatin', keep runnin' your mouth, yeah

Your mouth runnin' ahead of you, your mouth do
What your legs should do
Let me walk to the edge with you, jump off of it, it
It sounds like your ready to 'cause these rappers are terrible
And the game is unbearable but I'ma fix, fix

This feelin' that's dead in you got your brains like a vegetable
Use the Pro Tools and tell 'em to edit it, it
Switch to somethin' that's better fool, turn it up what you better do
When I'm bringin' revenge to you it sounds like this,
this, this

Somebody call the doctor
(You're not breathin', you're not breathin')
They ain't gonna be well after this one right here
You're not breathin'
(You're not breathin', you're not breathin')

Just make sure they learn the name
(You're not breathin')
That's about to be runnin' the game
(You're not breathin')
Tell 'em the name, Chamillitary mayne

Shoulda heard what I was tellin' you, I don't do what the
jealous do
I don't hate when a nigga make it 'cause I'm smarter
and better too
You run when they tell you to but I move when I'm ready
to
If you stop to take a breather, see that I'm light years
ahead of you

Y'all musta thought y'all wasn't gonna
(I'm not leavin', I'm not leavin')
Have to see me or somethin'
Houston, Texas, I'm here now
(I'm not leavin', I'm not leavin')

Anybody gotta problem?
(I'm not leavin')
Speak now or forever hold your peace
(I'm not leavin')
I ain't think so, yeah

The feelin's great 'cause they pay me, I expect some
hatred so daily
I'm stickin' the middle finger up like the feelin's mutual
baby
The franchise and they say that the future can't really
trade me
In Houston, I'm number one like I'm in the place of
McGrady

But keep on pacin' it baby, the full truth has arrived
If they ask you about you nigga, you fin' to lie
They ask me about me and hear a truthful reply
They said they seem none better than me so hear the
truth wit'cha eyes

Better go take over befo' it rains
'Cause I'd hate to say that I told you mayne
I know, I know what you're gonna say

But have it your way

I know these haters is gonna hate
And I see that angry look on your face
Tell 'em Sound of Revenge is on the way
This isn't your day

Lookin' for the truth, they ask me where have you
been?
(Where have you been? Where have you been?)
Gettin' ready for these haters, I got somethin' for them
(Somethin' for them, somethin' for them)

You're real quiet 'til you think you hear a sound in the
wind
(Sound in the wind, sound in the wind)
You turn around 'cause you think you hear that sound
once again
You hear that? Yeah what's that?
That's The Sound of Revenge

See, I told you
That's what happens when you get on his bad side
Chamillitary mayne
And now, for The Sound of Revenge
