They Tellin Me Flip Signed And Slim Too, But Koopa He
Aint True
He Aint Due, To Be The Next Why He Aint Blue
I Went To New York And I Made A Mention Of Dj Screw
And The Industry A&Rs; Was Lookin At Me Like Dj Who?
Are You Serious? Oh, Thats The Reason I Flew In Here
So You Could Treat My Culture Like A Flea Market
Souvenir
Had My Confidence Ruined Here, What The Hell Am I
Doin Here?
Aint No Choppin Or Screwin Here, But I Knew It Was
True Its Clear
What Happened To Your Ear? I Swear Im The Hardest
I Heard The Artist You Sounded Before Me I Swear They
Was Garbage
Im Gonna Be Back Like Terminator And I Swear Its A
Promise
Cause Industry Niggas Go To College Just To End Up
Retarded
Yeah I Said It Retarded, I Ended Up In Kay Slays Crib
We Chattin He Tellin Me Bout How Shady The Game Is
I Felt Like I Stepped Out Of A Dream And Into The Matrix
Cause Kay Slay Was Realer Than The Niggas That
Claim It
Shame Its The Lames In The Highest Positions
The Real Niggas Be Spittin The Lames Dont Even Listen
Get Em Out Is My Mission, Maybe I'll Start A Pettition
Ok Im Probably Just Wishin, Forget That Mission Im
Trippin
I Hit Scarface On The Phone And He Was Givin Me
Game
And Charlie Braxton In Mississippi Was Givin Me The

Same
They Both Let Me Know That Ignorance Is Really To
Blame
Only A Idiot Dont Realize Hes Touchin The Flame

How Could You Not Feel My Pain? You Gon Feel It
Regardless
Record Labels And Artist Are Smellin Like Rigimortis
I Move From Market To Market, Rappers Dead Where I
Park It
While You Talk It I Walk It, And Im Just Markin My Target
Yeah, Can I Get A Witness Up In Here?
I Hope Not, They Gon Snitch Then I Make That Witness
Dissapear
Yall Niggas Better Get A Vision Of The Air, Put Your
Hands Up In There
Put Your Wallets Up In Here, Takeover

[Talking]

You With The Bow Tie And The Pink Suit [Gun Cocks] I

[Chamillionaire]

Cause Theyll Never Understand Me, Them Niggas Is

They Vision Another Grammy, Dont Give A Damn About
My Family
Now That I Think About It, The Artist Are Never Happy
They Cant Convince Me That Im Not A Prize, I Wont Let
Em Have Me
My Brother Can Co-sign, How Many Times I Changed
My Mind
But I Never Slowed Down, All The Time, I Stayed On My
Grind
Phone Ringing All The Time [Phone Rings], I Pick Up The
Other Line
