Chamillitary man

Fighting broke out over-night between  
Rival factions along the Israeli-Syrian border  
Initial reports claim Israeli jet fighters  
Bombed a guerrilla base killing at least 49 soldiers and  
13 civilians

Damage to the base is said to be heavy  
And the Israeli jets are reported to have made it  
Back to their headquarters safely  
A 49 year old unidentified man went berserk last night  
Opening fire with a 12 gauge shotgun

Leave me alone, terror alert, victory  
I stay dropping that bombness  
Rosie O'Donnell and Donald Trump  
Stay arguing 'bout nonsense

Would they treat me as good as Hugh Hefner  
If I had a mansion full of blonde chicks?  
If adultery was a felony  
Then Clinton would be a convict

Put you in the same position  
And let's see what you'd really do  
They tell me that I sold out  
If I execute the no snitching rule

Sound like it was a good idea  
'Til a murder happen to you  
Dumb stupid, or stupid dumb  
Either one you don't have a clue

Voice perfect for CNN but knew  
Larry King wouldn't hear it through  
Bill O'Reily's an idiot  
He ain't the only one with an opinion fool

E-mail this to my publicist  
So the media is gonna hear it too  
You get on TV and get at me

Then I'm gonna get on the CD and get at you

Uncle Sam says to pay your taxes  
Just to learn that I pay for classes  
Part time hustle really ain't gonna last  
So today's forecast is to make more cash

It's the news, news, news  
Let 'em know the truth, truth, truth  
It's the morning news, news, news  
Let 'em know the truth, truth, truth  
It's the morning news

In the strip club balling  
Bill Collecta keep calling  
You ain't even trying pay your bills  
He show up and you dodging

White man balling, black man starving  
Looks like Al Sharpton found another  
'Cause to get involved in

I can't hate to see a black man  
And I don't hate to see a black hand  
Crawling into that cookie jar  
'Cause there's plenty of dough up in that man

When your black and you educated  
People say, "You ain't black man"  
May be black in your appearance  
But really whiter than Batman

CEO's are like slave masters  
And most of them don't even know it  
Their employees are like slaves  
Work the bill but don't even own it

Your money right but your credit ain't  
Then the bank still won't loan it  
If you're on top and ain't paying taxes  
Then I hope you're enjoying your moment

Uncle Sam says to pay your taxes  
Just to learn that I pay for classes  
Part time hustle really ain't gonna last  
So today's forecast is to make more cash

It's the news, news, news  
Let 'em know the truth, truth, truth  
It's the morning news, news, news  
Let 'em know the truth, truth, truth

It's the morning news

Hip hop crunk music, spiky music  
Slab music, sound like a nursery rhyme  
Get a beat and rap to it

Ain't speaking with a purpose  
I'ma call it crap music  
Y'all got your boys getting mad  
My bad let's get back to it

Cigarettes are still causing cancer  
And chronic smoke'll still get you high  
In the streets or in the store  
Know a couple dollars won't get you by

Truth is a Paris Hilton jail cover story  
Could never flop  
For that sexy mug-shot  
I could get a million dollars a pop

Even Michaels in the media  
They like to make examples of people just like you  
Get involved and I bet the indite you  
Go to jail and I bet they don't write you

Yea, you ain't got a college degree  
Then they'll say you're not intelligent  
And if your class ain't upper class  
Then your opinion is irrelevant

Uncle Sam says to pay your taxes  
Just to learn that I pay for classes  
Part time hustle really ain't gonna last  
So today's forecast is to make more cash

It's the news, news, news  
Let 'em know the truth, truth, truth  
It's the morning news, news, news  
Let 'em know the truth, truth, truth  
It's the morning news

The world is crazy, every day  
I gotta wake up to this nonsense  
Silly rappers think I'm worried  
About a punch-line  
I show more purpose than your  
Whole career in one line, victory
