[Chamillionaire]

Mans from the state Tex

We treat plex like great sex

Look at my dresser..and I bet you gon' see where we
latex

But not the rubber, ask Thugger or E.S.G. and you'll
discover

That I'm not Brandy's little brother

I'm as gutta as a gutter

They love the way the candy color..steady switchin' to
another

Keep so much heat under the seat my starch is stickin'
to the butter

Rap fans wanna dap hands 'cause they know how we
stack grands

But haters don't want no heat like Ms.Pink in Pac Man
Koopa

[Chorus: Chamillionaire (E.S.G.) {Y2 Twon}]

{This one for gangstaz}

(This one for thugstaz)

This one for my S.H. {what's that?}

Street Hustlaz

{This one for gangstaz}

(This one for thugstaz)

This one for my S.H. {what's that?}
