### "Throwdest In The Game"

(Yung L.A. - Ain't I mix)

*[Hook:]*

Ain't I [x6]

You know I is

Ain't I off the chain

Ain't I such a pain

Ain't I Ain't I Ain't I Ain't I known for spitting flames

Ain't I [x6]

You know my name

Ain't I getting change

Ain't I on them swangs

Ain't I Ain't I Ain't I Ain't I Throwdest In The Game

*[Verse 1:]*

Let's Go

Ay

I move a million tapes before my label even ship me

That's the reason that my donuts like a box of chip-lees

I wish I wish an idiot act up and try to diss me

Like that you ? class I used to pay you goin be history

When I leave rap, I know the rap world is gonna miss me

I heard a little busta wanna sue me youse a sissy

They say that it ain't tricking if you got it, but that's tricky

I think the person that made up that slogan try'na trick me

The game cost a fee and I can't say that I'm affordable

If she out of town then my pimpin game is portable

Got some haters on the sac, the plan was just ignoring you

But now you starting to be a pest, I gotta call a auto-bull

*[Hook:]*

Ain't I [x6]

You know I is

Ain't I off the chain

Ain't I such a pain

Ain't I Ain't I Ain't I Ain't I known for spitting flames

Ain't I [x6]  
You know my name  
Ain't I getting change  
Ain't I on them swangs  
Ain't I Ain't I Ain't I Ain't I Throwdest In The Game

[Verse 2:]

Yeah your shirt is ro-ho, you ain't a blood boy you fake  
Put my knuckles on your face, so that in your shirt can  
cordonate  
I'm already legendary y'all know that I'm more than  
great  
Way before I got revenge you just saw it sorta late  
Windows in my living room, toss it they just gonna say  
They don't have enough fabric, I didn't even order  
drapes  
Mixtape God you can hear the scriptures on my tapes  
Got chicks in Atlanta offering me money more than  
Mase  
Do whatever that I tell em never insupportate  
Girl you looking super fine I know you gotta gorgoeus  
face  
Tape some money to ya head and you da chick I'm  
gonna date  
But soon as ya fall asleep and you know what I'm  
gonna take  
Get Money

[Hook:]

Ain't I [x6]  
You know I is  
Ain't I off the chain  
Ain't I such a pain  
Ain't I Ain't I Ain't I Ain't I known for spitting flames  
Ain't I [x6]  
You know my name  
Ain't I getting change  
Ain't I on them swangs  
Ain't I Ain't I Ain't I Ain't I Throwdest In The Game
