But Now I Dont Love You The Same (Love You The
Same)
Baby Im Still Thinking Of You But No Its Not You Its The
Change
But Still Im Ridin Like You My Wife
And You Will Always Be In My Life, But You Aint Right
I Used To Love You But Sumthin Bout You Aint The
Same (It Aint The Same)

(Chamillionaire Verse)

I Aint Talk To You For A Week But Thats How It
Supposed To Be
I Swear To You No One Out There Loves Yo Ass More
Than Me
Cause You Wasnt Not Holdin Me The Rap Game
Promoted Me
Wasnt Greedy With The Attention You Made Sure They
Noticed Me
And That Day That Big Watts Told Me He Was Cuttin
The Members
Yeah, I Remember The Moment Clear Like The Nigga
Was Standin Here
But No I Didnt Interfere But My Nigga I Didnt Cheer
Say It Wasnt A Good Idea Cause That Coulda Been Our
Year
There Is Not An Us Anymore Its Everyone For Me
I Aint Trippin Ima Lead The People If Thats What Its
Gonna Be
If Thats What Its Gonna Be, Realest Nigga I Know Is Me
Ben Franklin Was Runnin To Slow Needent Just Let It
Flee
You Can Ask A Nigga Bout Me Theyll Say That Im In The
Zone
When The Duo Thing Didnt Do Hot, Shit I Stood On My
Own
I Was Bein The Bigger Man While They Shootin Slugs In
They Songs
Now Its Obvious That The Fans Can Realize Who Was

Wrong
Look In The Eyes Of A Hata Like How Did You Get Your
Data
Theres No Such Thing As A Friend In This Business
Cause Youre The Playa
They Say Youre In Need Of Prayer I Think That You
Need It Playa
So This If All The Haters, Fake Niggas And Perpetrators

(Chamillionaire Chorus)

Rap Game I Used To Love You (Used To Love Ya Baby)
But Now I Dont Love You The Same (Love You The
Same)
Baby Im Still Thinking Of You But No Its Not You Its The
Change
But Still Im Ridin Like You My Wife
And You Will Always Be In My Life, But You Aint Right
I Used To Love You But Sumthin Bout You Aint The
Same (It Aint The Same)

(Bridge)

Comin Up In The Game Jammin That Ugk, Ghetto Boys
??? (But Then It Changed On Me)
Now Everyday Another Screw Dj Tryin To Get In The
Game (It Aint The Same Homie)
What Happened To The Days Of NWA Snoop, Cube And
Dre (The Game Done Changed On Me)
2Pac A Biggie Are Both Are Both Passed Awayyy (I Hope
They Aint Lonley)

(Chamillionaire Verse Two)

And Its Crazy Cause You My Baby But Latley You Got Me
Deep
In The Beef And The Words That I Right On The Sheet
Are In The Streets
You Wait Till They Instigate Then You Gave Me Your
Voice To Speak
Never Gave Me A Choice I Keep, My Back On The Wall
For Keeps
And The Hatin Didnt Ever Cease But I Took The Real
Nigga Route
Seen A Hater And Point Him Out And Did More Then
Ignore The Mouth
Did More Then Sit In The House, Did More Then Sit On
The Couch
Thats What A Real Nigga Bout And I Bet All My Real
Niggas Vouch
Things Come Together But They Split Up Eventually

Cant Argue With Destiny All This Drama Was Met For Me
It Happened The Way It Happened Didnt Happen
Intentionally
I Could Hear Em Presentin Me But They Aint Even ???
Me
The Scripture Was Sent To Me On A Platta But It Didnt
Matta
Vision Already Told Me To Distance Myself From Hata
Distance Myself From Cata But Homie I Hear The Chatta
But Im Still Married To The Rap Game And I Wont Let
Niggas Have Her
