i could go get a bopper, and let her hop her, little ass in
the dropper and let her drop, her panty hose when
them hoes see propeller choppers, clothes they take
like a helicopter, you could never stop the lizard man
im the ruler, if she's on my lap top then it's not my
computer, crips, bloods, latin kings, trunk bang
Hikeem, my gang colors green, cause i got a gang of
green, (beep) hey it's me, i guess it best if you call me
back and let me know you've got my last message,
(uuurrrppp) message erase, hey Koop it's Tacara and
Sheena dont wanna bother ya call you tomorrow, again
it stands, and im not yo friend, i hate you man, i'll
never buy your CD again, (beep) it's E-black, got a show
for 4 grand, 934 8292 hit me back man, (beep),
message saved, trynna be first paid, and anybody
trynna stop that, gon need first aid, put the thang so
close to yo mouth and yo nose, that the heat will make
the color melt off of your golds hoes, your girlfriend, i
kicked her out of my houz, now she trynna come back,
like Jay-Z did Nas, (aaannnttt), try again, not a nice
guy, nice try, since yall look so sweet nigga, it's time to
slice by
