"What Would You Do"

You are now listening to chamillionaire.com radio

Mixtape Messiah

[Chamillionaire]

What would you do?

If he was hating on you and never to you

He gon' make sure that he don't bump into you

He gon' pretend he don't see and never knew you

And just avoid you

What would you do?

If everythang he was saying wasn't truthful

He gon' pretend that he ain't did nothing to you

See you can love me or hate, whatever suits you

But I'll destroy you, and you know it! Nigga

[Chamillionaire talking]

Nigga knew he had messed up when he put me on his
DVD at the front

Nigga put me in the footage like I'm co-signing this
nigga running the game

What type of disrespect is that?

I knew you that messed up nigga, caught you red
handed with all your feminine ways

Running round, talking all that noise behind my back
and wasn't man enough to say it to my face man

Real type of nigga you is man

Should of known you was that broad ass nigga that
everybody was saying you was

What type of hoe ass nigga talk down on his own click
to niggas he ain't even really that cool wit

What type of hoe ass nigga don't say it to a nigga face
And when he see ya he start smiling and shaking
hands

A hoe ass nigga, a fraud ass nigga

You gonna have to take it how it hit you nigga

Cause I mean every word that I say on this CD nigga

You know what I'm saying?

Standing on my own two feet like always and I ain't
really tripping offa anybody else

Anybody got a problem, speak up now or forever hold
your peace
Oh and it will get worse, let me let y'all know I ain't
done with this nigga
It's not over yet
Mixtape Messiah 2, Controversy Sells coming soon
