[Chamillionaire]

They gon' just get upset
When I hop out the Vette
Throw the keys and tell the valet to catch
See gettin' green is a damn sinch
I'm the 22 inch grinch
I hog money, I'ma ball hog while haters is warming the
bench
Fall in love with a gold-digger, for what?
Nigga my guns my slut
I finger the heat til' the barell gets hot, and bust a nut
And the best condom couldn't protect ya
When the gat is ready to sex ya
Say Hello to my little slut
take the clip out when I undress her
Came in the club with pat'nah we call hl'm Bill with the
Big Head
That's Ben Franklin, bartenders bring drinks in a big
keg
(Now What Y'all Niggas Gone Do)
Henessy shots I'm on 2
I'm sippin' drank after drank, like all of the dranks was
on you
I don't need no ice, got ice on neck
ice on my earring, ice on my sleeve
Make my bracelet touch her weave, and give ya
girlfriend *scratches and
restarts*

Haters get pissed when they see me, they say "That

Nigga please, I spend g's on just one of my kicks
