Attention, if you gotta thang for cotton-candy rappers
And gotta be in the bed before 9:00
Cover ya ears, cuz it's 'bout to get ugly baby

[Chorus]
Now who they want?
Me (6x), King Koopa
That's what I give em'
(The, Color Changin' Click)
(Chamillitary man)
Now who they hate
Dike (7x), and I'm gon' get em'
Real niggaz ain't jammin' no
(Dike Jones, Who?, Dike Jones, Jones)

[Verse 1: Chamillionaire]
Yeah, I handle heat like a pizza man
You want beef I'll unpack it for ya
Dike Jones, is a wack rapper but he isn't a bad promoter
You don't know want problems my nigga
My stats is way past a quota
Cuz I'm gettin' what Flippa says in the initial that's after
Clova, G's
Nigga please, them commercials ain't even right (why)
Texas niggaz be pourin' purple, we bend and remixed
that Sprite
Okay Koopa stick to this Dike, you right if he wanna
fight
But this ain't no Lil' Flip beverage he won't have a Lucky
Night (nah)
He lucky if he have a life, sayin' Cham' ain't gon' get a
deal
Ain't no rhymer you's a vagina, it's time for some
Vagisil
Want problems then Crank It Up, ain't no Static or
Banner here (nigga)
I crush that lil' man career, like a Budweiser can of beer
Bout to dig up a deep hole, so ya album can rest and
sleep
You can put all ya lyrics in it the gimmicks can rest in
peace (Who?)
I bought ya CD, you was sayin' how you the best in the

streets (Uh-Uh)
So I had to go get my quarterback like niggaz who step
in them cleets
Hut 1, Hut 2, now you in some trouble fool
And my brother don't like you now, you got trouble in
doubles dude
And you won't get to guzzle juice, no opening for ya
food
Cuz the only way to shut you up, is a muzzle to muzzle
you
Watch the punisher punish WHO?, nah, I don't have to
ask ya
You said it, now you gon' get it, and I ain't gon' have a
hassle
You ain't the King, I should know I'm the nigga that built
the castle
I pull my back-hand and slap you, turn you 'to a dizzy
rascal (WHO!)
That ain't hip-hop, I swear that garbage gon' get
stopped
I'ma kill the tick-tock you got in your flea-market wrist-
watch (Fuck that
Nigga)
He said I fell off, and Koopa could never get hot
Can't pull my dick out, cuz he got my dick in a lip-lock
Man, I'm just sayin' though get off my genetalia
Get off my nuts, I'm bettin' ya, no you ain't no
competitor
Mo' money and mo'record sales, etcetera etcetera
So I'ma delete you, and put Magno back there instead
of ya (OH!)

[Chorus]
Now who they want?
Me (6x), King Koopa
That's what I give em'
...Now who they hate
Dike (7x), then I'm gon' get em'
Real niggaz ain't jammin' no
(Dike Jones, Who?, Dike Jones, Jones)
