[Chorus: Big Moe]

They want me to sip drank and just roll with them  
I ain't fuckin with y'all, cuz y'all ain't ready to ball  
They want me to hit the club and pull hoes with them  
I ain't fuckin with y'all, cuz y'all ain't ready to ball  
They want me to pour out, some Rendo but nah  
I ain't fuckin with y'all, cuz y'all ain't ready to ball  
They want me to grip grain and flip fo's with them  
I ain't fuckin with y'all, cuz y'all ain't ready to ball

[Chamillionaire]

You know, I'ma gold grinnin' young thugga  
Hustlin' representin' for the  
gorillas and thugs sittin' pretty on the butta  
Yokohama on the rubber, see I'm like no other  
Girls see me on the block and just st-st-studder  
See I'ma lover and a stunner, see I'm in love with my  
chips  
But the ice on the wrist is a lil too cold to kiss  
Can't fall in love with ya miss, cuz my money be gettin'  
jealous  
And that's the same reason I can be out hittin' licks with  
the fellas  
Good-Lawd, I ain't with it, all though I hate to admit it  
But if I go by myself and get it, I won't have to split it  
So I'll be frontin' like I'm busy everytime that you call  
Cuz I can't be thuggin' with y'all, niggaz ain't bout  
paper at all  
I can't be frontin' like I'm broke, niggaz can see I ain't  
broke  
\$1,000 worth of ice is glistenin' off of my rope  
Cuz ya out, smokin' ya dope and ya out puffin' ya 'jane  
And ya out grippin ya grain, and I'm out spittin' my  
game, in the rain  
pimpin' ya dame, ya gots to be bout ya figgas  
I run with the realest gorillas and the realest 20 inch  
wheelers  
I'm not from Pittsburgh nigga, but I run with them  
Steelers  
So hop in
