"You A Dummy"

[Intro - Chamillionaire]

Speakin with a purpose but some folks out there be
hatin
They be sayin that money talks I talk but you ain't
relatin
Some people in the business try to cheat me like they
say
But I am the mixtape messiah and the south my
congregation

[Chorus - Chamillionaire]

You ain't know I get the dough
Then get some mo'
You don't believe me you a dummy

You ain't know I get a load
For every show
You don't believe me you a dummy

[Verse 1 - Chamillionaire]

Used to be stylin on the court
got eliminated in my sport
Now that jersey village coach can see I'm hotter than a
torch
All the 7 foot white boy's used to tell me that I was short
My money longer than a mother but I'm to tall to drive a
porch
I played my album for the source on the clock radio of
course
Now I'm in the middle of no where doin shows until I'm
'horse
Now my middle finger is up and I show the industry no
remorse
Im the messiah of mixtapes choir get up and rejoice
Gettin' screwed before I was chopped
Never was signed to Michael Watts
Listen to 97.9 the box
While I'm thinkin bout buyin stocks
Buyin jordans out of the picture did'nt have money to
buy the socks

Now I'm sittin on 28's ruff ridin' like the lox
Used to be workin at fast food's they had me washin'
pans and pots
Now I got fans that'll stand rootin' for me like I'm 'pac
Who would've known I would've blown from makin' a
song about the cops
Now cops pullin up at my shop tellin' me they like my
drop's

[Chorus]

You ain't know (you ain't know) I get the dough (i get
the dough)
Then get some mo' (then get some mo')
You don't believe me you a dummy

You ain't know (you ain't know) I get a load (i get a
load)
For every show (for every show)
You don't believe me you a dummy

I told you C.E.O (C.E.O)
That I could flow (that I could flow)
And I'm bout to blow (im bout to blow)
You don't believe me you a dummy

Guess who's got the last laugh noooooowww! (ha ha ha
ha)
You don't believe me you a dummy

[Verse 2 - Chamillionaire]
