With The George Cates Orchestra

There is someone on your mind, not me
How I wish that light would shine for me
He can't love you more than I
That certain someone on your mind

You kiss someone when we kiss, not me
There is someone that you miss, not me
Out of sight and left behind
Because of someone on your mind
(On your mind, on your mind)

I wish that I could hate you
Or run away with you
Hide you and chain you
So no one could claim you

But then he would
Still be on your mind, not me
While you dream, you're blind to me
Wake up, darling, and you'll find
That I'm the someone on your mind

I wish that I could hate you
Or run away with you
Hide you and chain you
So no one could claim you

But then he would
Still be on your mind, not me
While you dream, you're blind to me
Wake up, darling, and you'll find
That I'm the someone on your mind

That I'm the someone on your mind
