Black Jack by Champagne  
There's a chance after midnight  
I'm gonna play your favorite game  
Whenever I am a lucky number  
He better remember my name

Take your chance after midnight  
I wanna make you out of your mind  
Whatever I am, I'm not a loser  
'Cause I'm the professional kind

Black Jack, I really got your number  
Black Jack, I'm up to your game  
Black Jack, I really got your number

Remember I'm after the same  
It's a game, game, what a game  
It's a game, game, what a game

Once again after midnight  
I'm gonna make you out of your mind  
Remember I am a lucky number  
'Cause I'm the professional kind

Black Jack, I really got your number  
Black Jack, I'm up to your game  
Black Jack, I really got your number

Remember I'm after the same  
It's a game, game, what a game  
It's a game, game, what a game

Black Jack, I really got your number  
Black Jack, I'm up to your game  
Black Jack, I really got your number  
Black Jack, I'm up to your game

Black Jack, I really got your number  
Black Jack, I'm up to your game  
Black Jack, I really got your number  
Black Jack, I'm up to your game
