Oh
we were just seventeen
And we lived in a dream
Do you know what I mean
Only seventeen.
We were just seventeen
Do you know what I mean
We were just seventeen
Oh me
oh my goodbye
Oh me
oh my goodbye.

Once upon a time a time for lovers
Something in the air to fall in love
It's been quite a while
We made out in style
Love was behind your smile

You
you made me promise my first lover
Not to share our secret with the world
All dreams came true

Feeling brandnew
Oh
I believed in you.
We lived in a dream
We were just seventeen
Oh me
oh my goodbye
Oh me
oh my goodbye

Oh
we were just seventeen
...

Being young and pretty full of fire
Fire in your soul and in your mind
Oh what a surprise
you opened my eyes

We were in paradise.

We lived in a dream
We were just seventeen
