Rollerskates, rolling at the rollerball,
Moving fast, the roller disco ball.
The way he danced, man he was the best of all.
Everybody was dancing, dancing all night long.
Everybody was dancing at the rollerball.

Fell in love right there at the rollerball.
Fell in love when I saw his smile.
He smiled at me, oh his smile was heavenly.
Everybody was dancing, dancing all night long.
Everybody was dancing at the rollerball.
Everybody was dancing and everybody was smiling.

It's dynamite, rolling at the rollerball,
It's dynamite, the roller disco ball.
It's dynamite, rolling at the rollerball,
We'll spend the night like a song.
Everybody is dancing and everybody is fast.
Dynamite, rolling at the rollerball,
It's dynamite, the roller disco ball.
It's dynamite, rolling at the rollerball,
We'll spend the night like a song.
Everybody is dancing and everybody is fast.

Danced all night, rolling at the rollerball,
Stayed till dawn, then he took me home.
Stars above, moonlight and tenderness.
Everybody was dancing, dancing all night long.
Everybody was dancing at the rollerball.
Everybody was dancing and everybody was smiling.

It's dynamite, rolling at the rollerball,
It's dynamite, the roller disco ball.
It's dynamite, rolling at the rollerball,
We'll spend the night like a song.
Everybody is dancing and everybody is fast.
Dynamite, rolling at the rollerball,
It's dynamite, the roller disco ball.
It's dynamite, rolling at the rollerball,
We'll spend the night like a song.
Everybody is dancing and everybody is fast.

Dynamite, rolling at the rollerball,
It's dynamite, the roller disco ball.
It's dynamite, rolling at the rollerball,
We'll spend the night like a song.
