Sjooh Sjooh Sugar by Champagne  
Hello, mother and daddy  
How nice to say hello  
Was it a beautiful journey?  
Wherever did you go?

Haha, you'll never believe it  
Haha, you got no idea  
Haha, walking the dogsheep

Well, well, well  
Sjooh, sjooh, sugar, this is fantasy  
Sjooh, sjooh, sugar, this is love  
Sjooh, sjooh, sugar, this is fantasy  
Sjooh, sjooh, sugar, this is love

Haha, you better believe it  
Hello, hello, hello?

Hello, mother and daddy  
Can't hear a word you say  
Something about your journey  
We'll seem to be OK

Haha, you gotta believe it  
Haha, she's coming your way  
Haha, walking the dogsheep

Well, well, well  
Sjooh, sjooh, sugar, this is fantasy  
Sjooh, sjooh, sugar, this is love  
Sjooh, sjooh, sugar, this is fantasy  
Sjooh, sjooh, sugar, this is love

Good lord, it's gonna let me out of my mind!

Haha, you'll never believe it  
Haha, she's coming your way  
Haha, you gotta believe it

Well, well, well

Sjooh, sjooh, sugar, this is fantasy (Ah, it's what?)  
Sjooh, sjooh, sugar, this is love (Oh, lord, no!)  
Sjooh, sjooh, sugar, this is fantasy  
Sjooh, sjooh, sugar, this is love

Sjooh, sjooh, sugar, this is fantasy (Come on)  
Sjooh, sjooh, sugar, this is love (Ah, you're kidding?)  
Sjooh, sjooh, sugar, this is fantasy  
Sjooh, sjooh, sugar, this is love

Good lord, it's gonna let me out of my mind!

Sjooh, sjooh, sugar, this is fantasy
