That's life by Champagne
Do you gonna want me?
Do you gonna need me?
Do you gonna love me?
Aha, aha

Do you gonna want me? (I'm leaving)
Do you gonna need me? (And I'm crazy, lady)
Do you gonna love me?
(Don't know what I'm gonna do, do it, baby)

Do you gonna want me? (No money)
Do you gonna need me? (To give you, honey)
Do you gonna love me?
(I'm living in discolight that's why, why, why)

Maybe you're a good dancer
Maybe you are alright (Alright)
Tonight

That's life, baby, life
That's life, baby, life
That's life, baby, life
That's life, baby, life

Do you gonna want me?
Do you gonna need me?
Do you gonna love me?
Aha, aha

Do you gonna want me? (No sunshine)
Do you gonna need me? (I need moonlight, baby)
Do you gonna love me?
(That is what you gonna do, do, do, do)

Do you gonna want me? (It's funny)
Do you gonna need me? (Surprising, honey)
Do you gonna love me?
(You're living at discolight, haha, darlin', darlin')

Maybe you're a good dancer

Maybe you are alright (Alright)
Tonight

That's life, baby, life (That's why I need you, baby)
That's life, baby, life (To see you boogie, baby)
That's life, baby, life (That's why I need to, baby)
That's life, baby, life (Dance, dance, dance, dance)

Maybe you're a good dancer
Maybe you are alright (Alright)
Tonight

That's life, baby, life (That's life)
That's life, baby, life (Ahahaha)
That's life, baby, life
That's life, baby, life

That's life, baby, life
That's life, baby, life
That's life, baby, life
That's life, baby, life

That's life, baby, life
That's life, baby, life
That's life, baby, life
That's life, baby, life
