From the outside looking here and i'm kind of like a
mess,
but my take is a blessed show.
I promise I'll say (?) never press like my (?
) wants a kind of snugg in black like the (?) and I went
(?)

We all victims in these modern times,
fucked around and found a loophole with these
modern rhymes.
The poster boy of these modern grind,
I guess I'm just a victim of the modern age

CHORUS:

Don't go asking "came found real love?"

I came and found this style flipped it up and handed
to you listen to it sip within a while.

he's a hidden while he pals around,
pounding out sound,
pounding to the pavement now.

CHORUS:

Don't go asking "came found real love"

Checking bitches twisting fatty sex,
big up to my daddy zach,
come to grips with the fact that we seldom rap for

Maybe (?) that the fact niggers can't afford my shows
cos they got kids.

Can't stop, go change it.
Even though you blacked up and feel cased in.
Forgot the pox and erased it.

They gave birth to basquiat kids.
They gave birth to baby basquiat kids.
