On my knees
before the great multitude of heavenly witnesses
i offer myself
soul and body to you
eternal spirit of god
i adore your brightness and your purity
the unerring keenness of your justice
you are a saint

(you know)
i adore you
i adore you

send the holy ghost
and let him butter my toast
send the holy ghost
and let him butter my toast

i'm down
on my knees
grant that i may always watch for your light

all day
i'm gonna have to pray little girl

you won't go away

i'm down on my knees
give me grace
adorable spirit
you're a saint

(you know)
i adore you
i adore you

send the holy ghost
it's who i need the most
send the holy ghost
i'll let him butter my toast

i'm down

on my knees
praying to the heavens above
gonna send me that love
gonna send me

the holy ghost
i got the holy ghost
what you got, baby?
i got the holy ghost
and what you got, baby?
me, i got the holy ghost
and what you got?
