never
en, c'est la vie, sailor
en, c'est la vie, sailor
uh

annajo
don't you know?
never was
there never was an annajo
all alone, no one home
there never was
there never was an annajo
no, no, no
you've really got to let her go

en, c'est la vie, sailor
let her go
who are we, dear?

never was
there never was an annajo
all alone
there never was
there never was an annajo
no, no, no
et tu?
too real, you're real
you've got to let her go
hey, let her go
there never was

it was your problem
the day you gave it all to
she stole your dollars
made you eat the hours
en, c'est la vie, sailor

(en, c'est la visa)
never was
there never was an annajo
all along
so let her go

never was a voice on the telephone
no diction, no
so force it right down now

never was
he really was here all alone
so let her go
while they're gone
(en, c'est la vie)
hours spent to hear those boys say,

uh, uh, uh
en, c'est la vie, sailor
uh
