Bring on the two gifts
that bring true celebration
understanding and appreciation
try to figure me out
and iÂ'll figure you in

babyÂ's gone to bible
babyÂ's got control
babyÂ's gone to bible
cause baby digs my soul

light up a bonfire
cause sheÂ's turned off the net
and sheÂ's turned to the spirit
gives her all she can get

and i know what youÂ're thinking
iÂ'm not one of those loons
iÂ'm just a somewhat prayerful dude
who digs his baby praying too

babyÂ's gone to bible
babyÂ's got control
babyÂ's gone to bible
cause baby digs her soul

my babyÂ's home
my babyÂ's going home

red rover, red rover
let god come on over
so we can roll over this stone
(on my knees)
red rover, red rover
let god come on over
so we can get over alone
(pretty please)

when you lose a parent
you really gain some perspective
and seeing the light
is no longer elective

baby's gone to bible
baby's got control
baby's gone to bible
my baby's got that soul

baby's gone to bible
baby's in control
it don't mean a thing if you ain't got that swing
you gots to have that soul
