my life has broken down
it's over for me now
bye bye, baby, bye bye

my love has been turned down
for the 49th last time
bye bye, baby, bye bye

my need's disgusting you
and all i have is need
and all i need's to be needed
needed by you
i'm disgusting
i'm disgusting

a love is just a lie
a heart is just a stone
bye bye, baby, bye bye

go join the other boys
and leave this man alone
bye bye, baby, bye bye

my need's disgusting you
and all i have is need
and all i need's to be needed
needed by you
i'm disgusting
i'm disgusting

bye bye, baby, bye bye
bye bye, baby, bye bye

mama don't cry
daddy don't cry
sister don't you cry
this is my time
i'm disgusting
i'm disgusting
