Faced with the wall
i remember the outside
wasn't there sun?
and i was walking with someone

we're over and done
so much for flowers i gave
they're dirt for my grave
give me the shovel, i'll behave

i tear window down
she's not around
she's so sweet
and i'm so blue

so i tear window down
i'm hiding out
she's so sure
she's one in a million

she's in love
with herself
yeah, she's in love
but with herself

faced with the gun
so much will finally be answered
and when i'm gone
she'll make a necklace from my bones

or maybe she'll cry
so much better to die
if she is upset
don't pull the plug, i'm not drowned yet

but i tear window down
she's not around
she's so sweet
and so secure

but i tear window down
she's not around

she makes sure
she's one in a million

she's in love
with herself
yeah, she's in love
but with herself
