Lock me up!  
and eat the little key with jam  
come on, lock me up!  
cause my heart is loving you again

someone ought to sue me  
for what i let you do to me  
someone ought to sue me baby  
for all i let you do to me

rag upon the constable  
who let me out again  
i'm so emotional  
i'm too emotional

drowning in the booze again  
for notes you never send  
i'm so emotional

doctor doctor, i don't know

so you gotta lock me up!  
who the hell believes in love?  
me! so, hurry, lock me up!  
trust me dude, i've seen enough

jesus, he won't see me  
so smother me and free me  
buddha, she won't see me, baby  
so smother me and free me

bowing out with grace and dignity  
is for the birds  
i'm too emotional  
i'm so emotional

crazy glue my lips  
before they shout those favorite words  
i'm so emotional

doctor doctor, i don't know

Aaaaaahhhh!!!!  
hey, that was my heart!  
Aaaaaahhhh!!!!  
lock it up or let it out  
Aaaaaahhhh!!!!  
(what was that?)  
i told you. that was my heart!  
Aaaaaahhhh!!!!  
(so?)  
dude, lock it up or let it out  
  
doctor doctor, i don't know
