Are you gonna check me out?  
Are you gonna check me out?  
Are you gonna check me out?  
Uh-oh

Are you gonna check me out?  
Are you gonna check me out?  
Are you gonna check me out?  
Uh-oh

Who loves a girl for her mind and her soul  
Not her body  
Do you love a girl for her mind and her soul?

Are you gonna check me out?  
(Not her body)  
Are you gonna check me out?  
(Not her body)  
Are you gonna check me out?  
(Not her body)  
Uh-oh

You're lonely and you need sedated  
And pornos are so overrated  
Love won't find the one's who've been lookin  
So get real, and get your butt bookin

Get dressed, drive your car and park it  
The tails are waggin, the dogs are barkin  
Wholesale! the whole meat market

Are you gonna check me out?  
(Not her body)  
Are you gonna check me out?  
(Not her body)  
Are you gonna check me out?  
(Not her body)  
Uh-oh

Who loves a girl for her mind and her soul  
Not her body  
Will you love a girl for her mind and her soul?

"I don't really wanna see you dance  
I just wanna see you naked  
Don't really want to hear you talk  
So shut up and make it"

Wear black cause it hides the fat  
And take one or two friends uglier than you  
Cause it's time, a dozen for a dime  
You're so drunk, they all look fine

Everybody's horny so we better get started  
The tails are waggin, the dogs are barkin  
Wholesale! the whole meat market

Are you gonna check me out?  
(Her mind and her soul)
