yes, i love a girl  
i may have told you about her once or twice  
ok, be nice...  
i admit a million times  
she has me crazy, my friends  
cause i've yet to meet her

she starts with an \\\"a\\\", and she ends in my heart  
(ms. reid left me in misery)  
starts with an \\\"a\\\", and she ends in my heart  
(ms. reid left me in misery)  
there are no other cases, this is the case  
(ms. reid left me in misery)  
there are no other cases, this is the case  
(ms. reid left me in misery)

so she's far away  
do you think she'll come here to meet me?  
guess her name, i bet you couldn't  
hold on, i'll give you a hint

she starts with an \\\"a\\\", and she ends in my heart  
(ms. reid left me in misery)

have you met her -- ms. reid?  
have you met her misery?  
i have loved her joy  
and want to save her from her misery

she starts with an \\\"a\\\", and she ends in my heart  
(ms. reid left me in misery)

why you gotta shoot down my airplane?  
why you gotta shoot down my airplane, ms. reid?

i pray to jesus  
i send her flowers  
i send her emails  
and wait for hours  
i send her money  
i send her poems  
i write her letters  
she won't come home
