You're confined here
In this natural life
But in sleeping, dreams
Put you under the knife
Opened up to
Supernatural highs

Mum has her garden roses
Dad has his book and wine
But you're going to drown
If no one saves you in time

You could walk on water
By my side

Every sparrow
Has a tiger inside
I'm the lion
So hop on for a ride

We'll leap across the canyon
Climb to the top of night
I'll free the miracles
You're hiding inside

You could walk on water
By my side

All caution to the wind
We up and fly away
We won't fear tomorrow
Or live in yesterday

Tell mum her garden's lovely
Tell dad his wine is cool
But you have to see the world
That's waiting for you

Fridays your heart's on fire
Mondays you want to die
Throw out the calendar
And count on my eyes

You could walk on water
By my side

All our sons and daughters
Walking on the water
