Not a cloud showed out in the sky  
That very night in Pitch Black City  
I was so damned scared, it was dark  
It was so dim, it was a shame  
Just then a man walked up to me and said  
Didn't I see you here before  
The lights were low and the party was so dull  
Just not good enough

Holiday (Ey, hey, hey, hey, hey)  
Holiday (Holiday, what you say)  
Holiday  
Celebrate (Ah yeah)

Holiday  
Holiday (Alright)  
Holiday  
Celebrate

Then we both held hands in each other's  
For a chance to start it moving  
He reached deep inside of his vest  
And in his hand he held a ring  
Let's have lunch, picnic or a brunch in the wintertime  
Let's disco down in a rollerskating ring in Alaska town

Holiday (Holiday)  
Holiday (Come on, come on celebrate)  
Holiday (Woo, woo, woo, woo)  
Celebrate

Holiday (Got the feeling, come on, keep ahead)  
Holiday (Reelin' holiday, yea, yea)  
Holiday  
Celebrate

Not a cloud showed out in the sky  
That very night in Pitch Black City  
I was so damned scared, it was dark  
It was so dim, it was a shame  
Just then a man walked up to me and said  
Didn't I see you here before

The lights were low and the party was so dull  
Just not good enough

Holiday  
Holiday  
Holiday  
Celebrate

(Repeat)
