Now everybody put on your dance shoes  
It's time we all got footloose, just follow me  
I'm making time to cut up the floor  
It's in your eyes and I want so much more  
That you're not giving

You're shaking this poor boy's world  
Just put him out of his misery

Take me for a ride through devious eyes  
And when I wake up tomorrow  
These bed sheets tell lies, no words can disguise  
And I don't wanna wake up at all

Wake up

We're all sweating to the oldies now  
The King's back for ride night on the town, one thing on  
mind  
Oh, no I fell into your trance again  
Your eyes are digging through my skin  
And I want more

You're breaking this poor boy's mind  
Just put him out of his misery

Take me for a ride through devious eyes  
And when I wake up tomorrow  
These bed sheets tell lies, no words can disguise  
And I don't wanna wake up at all

I wanna be your rock & roll for old time's sake  
I know I said I hate those lies  
But they're what keeps me coming back

I wanna be your rock & roll for old time's sake  
I know I said I hate those lies  
But they're what keeps me coming back

I wanna be your rock & roll for old time's sake  
I know I said I hate those lies

But they're what keeps me coming back

Take me for a ride through devious eyes  
And when I wake up tomorrow

Take me for a ride devious eyes  
And when I wake up tomorrow  
These bed sheets tell lies, no words can disguise  
And I don't wanna wake up at all

Wake up
