"Grace"

Heaven knows I've done wrong; mercy helped me see
I've been living a lie.
And while writing this song,
thinking 'bout Your goodness I started to cry.
Yes, oh oh oh grace; what would I do without grace (do
without grace)

Hide behind a painted smile; you lash out and sing
while you're spiritually down, yeah
There's no need to sit in denial; He knows all about
it and understands why (yes He does)
Oh oh oh grace (oh grace oh grace); what would I do
without grace
Oh oh oh grace; where would I be, where would I be
without grace

How can you love me still when I've done wrong (grace)
And how can I make it through this angry storm (oh
grace)
Say oh oh oh grace; what would I do without Your grace
Oh oh oh grace; where would I be without grace
(where would I be without grace)

What can make me whole in my soul (grace grace)
What can wash my sin (grace)
Say grace; what would I do without Your grace (couldn't
make it)

Tell you what lately I've learned; He picks me up
whenever I'm down
(Have you ever been down? I've been down.)
Nothin' I've done or can do can take away this
love, this love that I've found

Oh oh oh grace (grace); what would I do, what would I
do without grace
Oh oh oh grace; where would I be without grace

Amazing grace how sweet the sound that saved a
wretch like me
I once was lost but now I'm found, I was blind but now I

see

That's why we say amazing; that's why we sing
amazing
grace (I can't move without it)
I can't live without Your grace; thank You for Your grace
