Said, I wanna be, I wanna be, I wanna be, I
wanna be, say
(Wanna be, I wanna be, I wanna be, I wanna
be)
I Said, I wanna be, I wanna be, I wanna be, I
wanna be, say
(Wanna be, I wanna be, I wanna be, I wanna
be)

Oh, would you let me be, would you let me be
Would you let me be, would you let me be, say
(Let me be, would you let me be
Would you let me be, would you let me be)

Hey, would you let me be, would you let me be
Would you let me be, would you let me be, say
(Let me be, would you let me be
Would you let me be, would you let me be)

Yes I see you cryin'
(Yeah, yeah, yeah, yeah, yeah)
And I feel your broken heart
(Yeah, yeah, yeah, yeah, yeah)
I can feel you're hurting
(Yeah, yeah, yeah, yeah, yeah)

Still you choose to play the part
If you let me be
(If you let me be)
I'll be all you need, all you need

I wanna be the only one to hold you
(Protect you from the rain)
I wanna be the only one to soothe you
(Erase all the pain)

I wanna be the only one to love you, love you
(Over again)
I wanna be the only one, the only one
(The only one I am)

Now you deserve a mansion

(My Lord you too)
You can have the best of life
(Yeah, yeah, yeah, yeah, yeah)
With all this I'll give you
(Yeah, yeah, yeah, yeah, yeah)

A pure love that gold can't buy
If you take a chance
(If you take a chance)
Oh, I'll be worth the chance, worth the chance

Then I say it again
Hey, I wanna be the only one to hold you
(Protect you from the rain)
I wanna be the only one to soothe you
(Erase all the pain)

Hey, I wanna be the only one to love you, love you
(Over again)
Yes, I wanna be the only one, the only one
(The only one I am)
If you let me be, yeah
(If you let me be)

I'll be all you need, yeah, yeah, yeah
If you take a chance and I'll be, I'll be worth a chance
(If you take a chance)
If you just love me, you will clearly see, I'm all you need

I wanna be the only one to hold you
(Protect you from the rain)
I wanna be the only one to soothe you
(Erase all the pain)

I wanna be the only one to love you, love you
(Over again)
I wanna be the only one, the only one
(The only one I am)

I wanna be the only one to hold you
(Protect you from the rain)
I wanna be the only one to soothe you
(Erase all the pain)

I wanna be the only one to love you, love you
(Over again)
I wanna be the only one, the only one
(The only one I am)

I wanna be the only one to hold you
(Protect you from the rain)

I wanna be the only one to soothe you
(Erase all the pain)

I wanna be the only one to love you, love you
(Over again)

I wanna be the only one, the only one
(The only one I am)

Said, "I wanna be, I wanna be, I wanna be, I
wanna be" say
(Wanna be, I wanna be, I wanna be, I wanna
be)

Said, "I wanna be, yeah"
(Wanna be, I wanna be, I wanna be, I wanna be)
(Wanna be, I wanna be, I wanna be, I wanna be)
(Wanna be, I wanna be, I wanna be, I wanna be)

(Let me be, would you let me be
Would you let me be, would you let me be)
(Let me be, would you let me be
Would you let me be, would you let me be)
(Let me be, would you let me be
Would you let me be, would you let me be)

(Wanna be, I wanna be, I wanna be, I wanna be)
(Wanna be, I wanna be, I wanna be, I wanna be)
(Wanna be, I wanna be, I wanna be, I wanna be)
(Wanna be, I wanna be, I wanna be, I wanna be)

I wanna be the only one, the only one
(The only one I am)
