Lift every voice and sing  
â€™till the Heaven ring  
Ring with the harmonies  
Of liberty.  
Let our joyces rise  
High as the listening skies  
Let it resign loud as the rolling sea.

Sing a song full of the faith that the dark past has  
thought us  
Sing a song full of the hope that the present has  
brought us.

Facing the rising sun  
Of our new day begun  
Let us watch on â€™till victory is won.  
Now God of our winnings,  
And God of our silent tears  
Thou who has brought us thas fire  
Thou who has by thy mind let us into the guide  
Keep us forever in the palm, we pray.

Sing a song full of the faith that the dark past has  
thought us  
Sing a song full of the hope that the present has  
brought us.

Facing the rising sun  
Of our new day begun  
Let us watch on â€™till victory is won.
