"Sometimes"

Yes there's been tears sometimes
Imprison by fear sometimes
Sometimes I feel, there'll never be tomorrow and
I doubted you sometimes,
Yes its true sometimes
Sometimes it seemed you never cared about me
Somehow we made it through those times

Now i walked away sometimes
Nothing to say sometimes
Sometimes the anger caused me such frustration
Miss understood sometimes
Gave all I could sometimes
Sometimes it seemed was all taking and no giving
Somehow we made it through
