When I go swimming
In your intellect
The water's so shallow
And the dialect is so phony
But I eat it up like bologna
I can't get enough
Well I...should end it
But I...defend it
Well I...can't comprehend it
'Cause I'm your co-dependent
When you go fishing for a compliment
It's so, so obvious
But I can't help it

So I put up with it
'Cause your my habit
And I just can't quit
Chorus
The world keeps spinning
Lucifer keeps sinning
The joker keeps grinning
But I need a new beginning
Chorus [x2]
Baby, be my co-dependent
