We were occupied
And never had to go outside
I was your alibi
We were planning our escape
We stayed up all night
With Lucy in the diamond sky
We drank cheap brand whine
And talked ourselves to sleep

Please don't go
These ghosts of you
The only thing that helped get me through the day
Baby please don't go
Cause I love you
You're the only one that will stay the same

We could laugh out loud
And sing until the sun came out
We took a secret vow
That we would never change
You always loved to dance
I wish we had another chance
To go back in time
And do it all again

Please don't go
These ghosts of you

The only thing that helped get me through the day
Oh baby please don't go
Cause I love you
You're the only one that will stay the same

I don't wanna live forever
But if we could be together
Than I wouldn't mind infinity
I don't wanna live forever
But I can still remember
No I wouldn't mind infinity

Please don't go
These ghosts of you

The only thing that helped get me through the day
Baby please don't go
Cause I love you
You're the only one that will stay the same
Baby please don't go
These ghosts of you
The only thing that helped get me through the day
Baby please don't go
Cause I love you
You're the only one that will stay the same
