### "Na Miso"

Nalingi namona yo na miso  
Nalingi namona yo na miso  
But we are world away  
Yes, we are world away

Nataka kuku kumbatiya alakini siwezi  
Nataka kuku kumbatiya alakini siwezi  
Cuz we are world away  
Yes, we are world away

Nina ucungu sana yakuwa mbali na wewe  
Nina ucungu sana yakuwa mbali na wewe  
Because we are world away  
Because we are world away

Nalingi namona yo na miso  
Nalingi namona yo na miso  
But we are world away  
Yes, we are world away
