Messages from where I used to grow
Twenty thousand frames of mind
This is my soul

Relentless where I'm most alone
Twenty thousand faceless names
This is your show

And, oh, I feel
I am a wandering
A fleeting transient

Soul
All I feel is I am holding on
But only for a moment then it's gone

Covenant we will always grow
Our skin will fade transcend beyond
All we've been told

I feel I am the wandering
A fleeting transient
Soul
All I feel is I am holding on
But only for a moment then it's gone

And oh all I feel is I am holding on
But only for a moment then it's gone

Heal me
I'm healed when you see me
You see me when you feel me

Souls
All I feel is I am holding on
But only for a moment then it's gone

And oh all I feel is I am holding on
But only for a moment then it's gone
It's gone
It's gone
It's gone

It's gone
It's gone
