Time
(Time, time)
Where did you go?
Why did you leave me here alone?
Wait, don't go so fast
I'm missing the moments as they pass

Now I've looked in the mirror
And the world's getting clearer
So wait for me
This time

I'm down
Down on my knees
I'm begging for all your sympathy
But you
(I'm just an illusion)
You don't seem to care
(I wish that I could)
You humble people everywhere
(I don't mean to hurt you)

Now I've looked in the mirror
And the world's getting clearer
I'll take what you give me
Please know that I'm learning
So wait for me
This time

I should've known better
And I shouldn't have wasted those days
And afternoons and mornings
I threw them all away

Now
This is my time
And I'm gonna make this moment mine
(I shouldn't have wasted those days)

I'll take what you give me
Please know that I'm learning
I've looked in the mirror

My world's getting clearer
So wait for me
This time
This time
This time
