I don't even have to think about it
So you don't have to ever doubt it
That I'm so into you, oh baby

Just the thought of being in your arms
It makes me feel so good as I dance
So rest assured that I'm willing to be with you

Baby, I'm willing, I'm willing to learn
All of the secrets that are locked in your heart
Baby, I'm willing, I'm willing to show you how much I
care
'Cause I'm willing to love you

I can be your better [Incomprehensible]
The kind of woman that you always dreamed of
If that's what you want, oh baby

Oh, you give me the kind of love
The kind of love that would satisfy me
I wanna be your everything and more

I'm not gonna change my mind
(Not now, not never)
And I'll always be by your side
(As long as you treat me)

In a way that I want I should be treated, yeah
(As long as you do me right)
I need to know if you're willing to and if so

Baby, I'm willing, I'm willing to learn
All of the secrets that are locked in your heart
Baby, I'm willing, I'm willing to show you how much I
care
'Cause I'm willing to love you

Baby, I'm willing, I'm willing to learn
All of the secrets that are locked in your heart
Baby, I'm willing, I'm willing to show you how much I
care
'Cause I'm willing to love you

I don't even have to think about it
So you don't have to ever doubt it

Baby, I'm willing, I'm willing to learn
All of the secrets that are locked in your heart
Baby, I'm willing, I'm willing to show you how much I
care
'Cause I'm willing to love you

I'm willing, oh yes
I wanna learn, I wanna learn
I'm willing, I'm willing to learn, oh, oh, oh
