Oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh
Oh oh oh oh

I've got blonde hair blue eyes
The Barbie doll type
Got my nose turned up that's right
So take a picture

I'm wearing all black with spikes
Got my boots and my tattoos
I'm hard and I'm hating on you
I'm a bad ass

I'm not just like what you think I'd be
I don't act like what you think I'd be

No, No, No, You don't know me

Don't judge a book by its cover that's not what we like

Inside's where it lies don't think you know me from
outside
Labels are just cliques that misinterpret our lives
Know me for who I really am
I'm over those Cliques

There's glasses over my eyes
Nobody cares what I look like
My grades run my life
I'm unnoticed

I'm not the girlie girl type
My game is my life
I'm playing on friday nights
I'm just one of the guys

Oh oh oh oh
clique click clique click
woop woop
You don't know me!
