Danger Danger Danger...
Ahh... Chantelle, Chantelle... YEA

You wish if only
You could claim me like a trophy
Like I'm your one & only

Sorry it's not working on me
I'm so cool
Can't blame me for what you do

By the way that I'm grinding on you
I can tell that you want me
Want me to want you too... Ohh

You are not ready for
And I am sure
The way I move
Leaves you wanting me more {hey! }

Oh there you go falling in love
Please I'm not dumb, what you take me for?

Drop
When I pull up
To the front of the club in my honda {DROP}
Go dj, so hot, you making me wanna {DROP}
The way I do it do it {ahh}
Make it {drop} I'm a {drop}
Wanna give it to me cause cause I'm hot
Betcha it's the drop

It not that you ain't sexy
Cause you almost too dang sexy {aha}
And The moves you putting on me
Yea, you really pushing on me
But I'm cool, I'm just here to dance with you
You ain't getting me fooled
I know that you want me
And I've been wanting you {uhh}

You wanna be my boyfriend [repeat]

Wanna take me home with you [repeat]
Cause if you are my boyfriend [repeat]
You think that I would give it to you
