[Royalty]

It's like the first time I kissed her,

the first time I missed her

The first picture I ever took with a

The first I love you's we ever whispered,

Now we official, the Mrs. & Mr.

Royalty, ma I know you know the name

Little bit of fame and a little bit of change

Little 24's on my itty bitty Range

Couple colored carats on my itty bitty chain

Baby like that she impressed, I'm a rock star

And I confess I'm impressed ma I'm rock hard

The way you move got me thinking what I'll do to you

You're so beautiful I hope the feelin' mutual

[Royalty]

It's like the first time I met ya

Sweatin' from the pressure

Nice to meet ya, baby it's my pleasure

They call me Royalty, ma that's just my street name

This little sweet thang, chillin' with my street gang

A good girl from a two parent home

Introduce your parents and a two carat stone
Truly love your daughter, want to move her in my home
Plans of getting married if the two of you condone
So either choose to accept, or just move to the next
And I say this with all do respect
Sir, just let your daughter select
And I'm better than the dude that her father suggests

[Chantelle]

We were K-I-S-S-I-N-G,

K-I-S-S-I-N-G

We were K-I-S-S-I-N-G,

K-I-S-S, K-I-S-S

We were up in the trees with the birds and the bees just

K-I-S-S-I-N-G

K-I-S-S, K-I-S-S

[Royalty]

You don't get down with kiss, the kiss, the soul change

Cause we started playing more than just the kiss game

Baby we're too grown to play these kid games

It all started with a innocent --

[Chantelle]

K-I-S-S

[Royalty]

It's like the nerves on the first date

Do I run for first place, or stand her like a square on a
first base

I don't want it all baby just my first taste

So I slide face first into third base

Royalty I'm the boy in your dreams

Ma I better be the only boy in your jeans

Lil' mama every boy need a queen

So come and turn Roy from a boy to a king.

I got the money that these other boys dream

Spend a couple mil just to spoil my queen

Anything that you like I could buy

But for right now, tell me whatcha your ring fingersize

[Chantelle]

We were K-I-S-S-I-N-G,

K-I-S-S-I-N-G

We were K-I-S-S-I-N-G,

K-I-S-S, K-I-S-S

We were up in the trees with the birds and the bees just

K-I-S-S-I-N-G
