[Intro: Chantelle & Paul C.]

Paul C, Makin me so freaky
I just wanna be seen
In his new Mercedes filling girls with jealousy
They just wanna be me, but honey you can't
It's Paul C. & Chantelle, with Young Chose
Hold it 1, 2, 3. let's Go!
You fell that?
This is the new sound for 2007 and beyond
Paul C. Yo, Check Me out.

Lick your lips girl
Shake your little hips girl
You've been waitin all night just to dance
Well this is it Girl
Go on and lose your grip girl
Crazy workin it Girl
Feel the Boom fill the room
I think I got a hit girl

[Chorus: Paul C.]

Paul C., Get these (Bitches) Freaky
Every time they see he,
In the new mercedes gettin all the ladies leaky

The dancefloor and make em (Dance)

[Bridge: Paul C.]

I know you feel the same tonight
You wanna be startin somethin
Just let it flow don't put up a fight
Babe you got me chasin this feelin

[Rap: Chose]

You must not know my name
Or must not know my game
Or must not know how I bend em all up
Then twist em all out the frame
See, your mans a lame
And that's What it Do with some change
I'll show you how I do it girl
Bet you won't think about your other man again
Ain't (shit) to me
Ma, take a hit with me
Better yet take a sit with me

I done had my swag since elementary
Real talk man
Chose the name and the young man came to reign
Plus your boy is paid, I got stacks in here
And little mamma I can make it rain

[Chorus: Chantelle]
Paul C, Makin me so freaky
I just wanna be seen
In his new Mercedes filling girls with jealousy
They just wanna be me, but honey you can't
Yeah, Makin me freaky
