Get get get get crazy
get get get get get get get get yzarc

Are you ready get crazy
1, 2, 1, 2, 3 Let's go

We got it, we know it
We'll shake it like this
The dance floor, we own it
We'll shake it like this
The boyses, they're starin'
We'll shake it like this
What we gotta do to prove that we can
shake it like this?

It's ten on a... friday night
We're on our... own time
Make up and... hair just right
Our jeans are all... design
No guys to... make us rush
My girls are... enough
Out the door so... scandalous
Hop in my... porsche

Out with my girls tonight
And every thing's alright

Shakin' those hips just right oh oh oh
Out with my girls tonight
And every thing's alright
Shakin' my boom boom right oh oh

Pull up we're... lookin' fine
Heads turn... eyes on our shine
No waitin'... in the line
We never ever... pay a dime
Dancin' as we... hit the door
Bartender
You can have as much as we can pour
Girlies lets... take the floor
We won't stop rockin' till the early morn

What? What? What we gotta do to prove?
What? What? What? What we gotta do to show you?
What? What? What we gotta do to prove?
What we gotta do to prove that we can shake it like
this?
